

MSAA 2012 STATE INDOOR TOURNAMENT REGIONAL QUALIFICATION INFORMATION

To be flighted at the State Indoor a participant first shoots a Regional Qualification Round score at a location that is convenient to them. Flighting puts archers of similar skill into groups from which they compete for awards. Although only one score is needed a Regional participant can shoot a second if they are not satisfied with their first, with the higher of the two used for flighting. A single Regional fee covers the shooting of both scores. Please contact a Regional Site that is convenient to you and reserve a line time. You do not have to be a member of any club or shop to shoot at a Regional event being held there. A participant must be an MSAA member and can join at the Regional site.

When Regional results are published you will receive in the mail notice of your State Indoor flight and line time

The MSAA State Indoor is one of the largest archery tournaments held annually in the nation! In 2011, 930 rounds were shot in Divisions/Classes/Flights of all ages and skill levels. The 300 Round is the tournament round (300-60x).

REGIONAL SITES NEEDED!

Please contact Heath Glassburn if you are interested in hosting an MSAA Regional – 507-789-5895 or indoorvp.msaa@mnarchery.org - club/shop affiliation is required and is easy and affordable.
