# **MSAA 2018 STATE INDOOR**

## **REGIONAL QUALIFICATION INFORMATION**

To be flighted at the State Indoor a participant first shoots a Regional Qualification Round score. Flighting puts archers of similar skill into groups from which they compete for awards. Only one score is required but a second can be shot if not satisfied with the first, with the higher score used for flighting. A single Regional fee covers the shooting of both scores in a single class. Contact a Regional Site and reserve a line time. You do not have to be a member of any club or shop to shoot at a Regional event but must be an MSAA member and can join at the Regional site.
