Dear Member:

As we move into May, it is time to start thinking about any club members that are graduating from high school or will be attending college this next year. The MSAA encourages any member that meets the criteria below to apply:

This scholarship is to be given to a student with successful scholastic experience and shows a genuine interest in the sport of archery. Please read the following instructions carefully so you will fulfill the requirements satisfactorily. If you have any questions, contact the Minnesota State Archery Association Secretary.

This scholarship was established in 1971 to encourage outstanding students to prepare for worthwhile careers in the college of their choice and to promote the sport of archery. The student should apply while a senior in High School or anytime during a student's first three years of college (freshman, sophomore, or junior). If awarded the scholarship, the MSAA President will notify you by September 1st of the year of application. If a student is not awarded the scholarship, he or she may apply the following year or years. An individual can win the award only once. The applicant must be a member in good standing of the Minnesota State Archery Association.

Application must be postmarked by no later than June 15th to be considered for the following year. Any applications received after that date will be returned.

A scholarship committee will select winners. Judging will be made on the basis of each candidate's (1) high school record, which includes academic standing, extracurricular activities, leadership, character and citizenship and comments from teachers; (2) potential in the sport of archery; (3) interest to help others enjoy the sport of archery.

If the applicant has taken the Scholastic Aptitude Test (SAT) or the American College Testing Program (ACT), have the school submit the scores as part of the application.

The scholarship may be put in reserve because of delay or interruption of college career due to illness or military service.

The annual scholarships will be $500.00 each. Two scholarships can be awarded each year. (If the scholarship is not used one year, it does not carry over to the next year.)

A committee of three people are appointed by the President of the MSAA will award the scholarship. **Anyone on the committee that has a child applying for the scholarship must resign from the committee for that year.** Scholarship winner will be kept confidential until September 1st. Judging of the scholarship winner will be made on the basis of each candidate's High School record which includes academic standing on A.C.T. (American College Testing Program) or SAT (Scholastic Aptitude Test) and grades in school as well as participation in extracurricular activities, leadership, character, citizenship and teacher comments.

Considerations for awarding the scholarship should be taken from each individual's application only. A scholarship will be given to the recipient of the scholarship only upon presentation of proof of enrollment.

Thank You,
Stephanie Wiseman
MSAA Secretary
MINNESOTA STATE ARCHERY ASSOCIATION
APPLICATION FOR SCHOLARSHIP

1. Name of Applicant: (First, Middle, Last) ___________________________________________________________
2. Address ______________________________________________________________________________________
3. Sex: Male _____ Female _____ Citizenship: U.S. _____ Other _______ (Specify) _______________
4. Date of Birth __________________ Place of Birth: ________________________________________________
5. Parents or Guardian: __________________________________________________________________________
6. High School you will graduate from: _____________________________________________________________
7. List Brothers and Sisters: (Oldest to Youngest) ___________________________________________________
8. Occupation of Father: ___________________ Mother: _____________________________________________
9. Do you have any Other Scholarships? Yes ___ No ___ If Yes, Specify: _________________________________
10. What is your favorite academic subject? Circle one:
    a. MATH       SCIENCE       SOCIAL STUDIES       OTHER Specify: _________________________________
11. What is your grade average for the past 3 years? _______________________________________________________________________________________
12. What extra-curricular activities (School, Community, Church, etc.) have you participated in?
    a. _______________________________________________________________________________________
    b. _______________________________________________________________________________________
